Student Friendly Policy

St. Patrick's NS Strangsmills

Our school is a kind and safe place, where everyone should feel happy. If something is making you feel sad or unsafe, we want to help.

If you see someone being bullied, you can help by telling an adult. Everyone has a role in making our school a kind and safe place.

Get help!!

Bullying behaviour is when someone is mean or hurtful on purpose again and again.

When it happens a lot and not just once.

Tell Someone!

Please tell someone if you think that you are being bullied or someone else is being bullied.

Use Your Voice

St. Patrick's NS has a Bí Cineálta policy to try to stop bullying behaviour. We look at this policy every year to see what is working well or what could work better. We will always ask you what you think.

If you tell someone that you think you are being bullied:

1. We will talk to you and listen carefully
2. We will ask you what you would like to happen
3. We will make a plan together
4. We may talk to your parents to support you
5. We may speak with the other pupil(s) involved and their parents
